**TQ DELTA’S SECOND UNOPPOSED MOTION FOR EXTENSION OF TIME TO  
RESPOND TO THE COMMSCOPE DEFENDANTS’ MOTION TO TRANSFER VENUE  
TO THE DISTRICT OF DELAWARE**

---

Now comes Plaintiff TQ Delta, LLC (“TQ Delta”) and respectfully moves for an extension of time to respond to Defendants CommScope Holding Company, Inc., CommScope Inc., ARRIS US Holdings, Inc., ARRIS Solutions, Inc., ARRIS Technology, Inc., and ARRIS Enterprises, LLC’s (“CommScope”) Motion to Transfer Venue to the District of Delaware (“Motion”). Dkt. No. 32. Specifically, TQ Delta requests that its response deadline be extended to two weeks after the completion of its venue discovery.

On November 18, 2021, TQ Delta filed its first unopposed motion for an extension of time to respond to CommScope’s Motion to Transfer Venue, which has yet to be ruled on by the Court. Dkt. No. 38. After the filing of this motion, the parties conferred on the issue of conducting venue

discovery, which resulted in the following agreement: By December 3, 2021 TQ Delta will serve on CommScope a notice under Federal Rule of Civil Procedure 30(b)(6) that contains no more than ten (10) topics and the resulting deposition will last for no longer than four (4) hours. Further, TQ Delta will serve no more than five (5) interrogatories and no more than five (5) requests for document production. The parties also agreed that, after the filing of TQ Delta's Response, CommScope would be permitted to conduct venue discovery to the same extent as that specified in the two preceding sentences. The parties anticipate on conferring after the filing of TQ Delta's Response in order to coordinate the timing of CommScope's venue discovery and will move to extend the deadline for CommScope's Reply to allow for that discovery.

Plaintiff TQ Delta respectfully requests that the Court extend the deadline for it to respond to CommScope's Motion so that TQ Delta's deadline to respond will be placed two weeks after the completion of the its venue discovery.

Dated: November 29, 2021

Respectfully submitted,
